

14

Description

14 is an articulated, cast glass sphere with a frosted cylindrical void that houses a LED lamp. These pendants use a coaxial cable suspension system in a random configuration. Individual pendants are visually subtle, but gain an atmospheric quality when multiplied and clustered in groups. Remote mounted power supplies are recommended for ease of long term maintenance. Installation to be done by certified personnel to ensure code compliance.

Each pendant comes standard with 118"1/8 of coaxial cable. Up-charge applies for lengths over 118"1/8. Cable length can be adjusted on site.

Pendant colors: Clear, grey or amber.

LED color temperature: Approximately 2400k.

Transformers are included and come wired integrally within the canopy.

Each half sphere is hand poured and drilled thus making it different and unique from the rest.

We celebrate this uniqueness, as this is a sign that yours is truly one of a kind.

Specifications

Mounting: Ceiling mounted.

Glass Color: Clear, grey or amber.

Lamp: 1W LED, 2700K, 100lm

Dimmer: CASAMBI.

Coaxial Length: 118"1/8 standard / up to 1063" max. Adjustable length.

Canopy Finish: White.

Materials: Cast glass, blown borosilicate glass, braided metal coaxial cable, electrical components, steel canopy.

Power Supply: Integral.

Bocci recommends remote mounting power supplies for ease of long-term maintenance.

Environment: Indoor, dry location. IP30.
