

14

Description

14 is an articulated, cast glass sphere with a frosted cylindrical void that houses a LED lamp.

14 series uses a coaxial cable suspension system in a random configuration.

Lamps and power supplies are included.

Remote mounted power supplies recommended for ease of long term maintenance.

Installation to be done by certified personnel to ensure code compliance.

Each pendant comes standard with 118"1/8 of coaxial cable.

Up-charge applies for lengths over 118"1/8. Cable length can be adjusted on site.

White, black or brushed nickel canopy.
