

Strappy

Design: Kris Van Puyvelde

Description

Lounge chair with coated stainless steel structure consisting of one continuous rod running all the way around to form a stackable framework, to which the padded seat straps and armrests are attached. Covers are available in fabrics as per collection and in a highly resistant leather imitation, and can be removed in no time for cleaning or winter storage. Includes headrest cushion and two small wheels. A matching seat and backrest cushion and a footrest are available on demand.

Finishes & Materials

Structure: Coated stainless steel in White, Mushroom, Sand, Bronze or Anthracite color.

Covers: Fabric cat. A, B, C or Polyskin.
