

118

Description

These refined suspension lamp models from the exclusive 118 lighting collection is composed of three or seven hand-blown glass pendants that attach to a single cluster canopy. The cluster arrangement suspends the pendants from coaxial cables to compose hexagonal configurations. Each pendant includes 118"1/8 of coaxial cable, which can be adjusted on site. Longer lengths are available for an additional charge. Lamps and power supplies are included.

The 118 series captures delicate, feather-like impressions formed during the glassblowing process—subtle marks that glass retains from its molten state. These intricate textures, preserved in the material's memory, evoke natural motifs such as a bird's wing or a blooming flower. When illuminated from within, the internal complexities of each pendant come alive, revealing a refined interplay of light and form. This series showcases a sophisticated understanding of glass's unique ability to hold onto ephemeral shapes, turning fleeting gestures into lasting impressions.

Standard Coaxial Cable Length:

- $118\frac{1}{8}$

Extra Coaxial Cable Lengths (Standard Length + $118\frac{1}{8}$ Increments):

- $236\frac{1}{4}$
- $354\frac{3}{8}$
- $472\frac{3}{8}$
- $590\frac{1}{2}$
- $708\frac{5}{8}$
- $826\frac{3}{4}$
- $944\frac{7}{8}$
- 1063

Specifications

Mounting: Ceiling mounted.

Lamp: 1W LED 110V-120V - 100lm - 2500K / 2700K / 3000K

Dimmer: CASAMBI.

Coaxial Length: $118\frac{1}{8}$ standard - Adjustable length up to 1063 max.

Power Supply: Integral.

Bocci recommends remote mounting power supplies for ease of long-term maintenance.
