

118

Description

Suspension lamp with a coaxial cable suspension system in a cluster configuration. The cluster arrangement suspends the pendants from coaxial cables to compose hexagonal configurations. Different configurations are available with 37 or 61 hand-blown glass pendants. Lamps and power supplies are included.

Glass has a memory: it holds onto shapes it was exposed to while still molten. 118's dozens of tiny feather-like forms in opal glass arise from this uncanny ability. When lit from within, the interior complexities of 118 come into even sharper detail.

The undulating interior layer of each 118 carries the ghost of the steel cage used in its formation. Air blown into its core pushes the molten glass into the recesses of the cage. Gravity and heat coax these unpredictable, multifarious tendrils to elongate, following the initial shape the steel has set for it. That cage, sheared off in a final step, is cleaned and used to seed another 118.

Each pendant comes with coaxial cable, adjustable up to 472"3/8. Longest length is determined by client, Bocci fabricates all lengths between these measurements. Specified longest length is from the underside of the canopy to the underside of the pendant. There may be variance of $\pm 1/8$ " on specified longest length. Up-charge applies for cable lengths over 118"1/8.

Dimensions

118.37) $\pm \text{Ø}37'' \times 118''1/8\text{H}$

118.61) $\pm \text{Ø}40''1/2 \times 118''1/8\text{H}$

Pendant: $\pm \text{Ø}5''1/2 - 6''1/4$

$\pm \text{Ø}5''1/2 - 6''1/4$

Length Measuring Guide

Minimums drop length for each cluster:

- 118.37: $43''1/4$
- 118.61: $55''1/8$

Longest length

Measure from underside of the pendant

Up to $118''1/8$ standard

Up to $472''3/8$ additional

118.37

thirty seven pendants

$\text{Ø}23''5/8$

$\pm \text{Ø}37''3/8$

118.61

sixty one pendants

$\text{Ø}27''7/8$

$\pm \text{Ø}40''1/2$

Specifications:

Mounting: Ceiling mounted.

Glass Color: White.

Lamp: 1W LED, 2700K, 100lm.

Coaxial Length: Adjustable up to $472''3/8$ max.

Canopy Finish: White.

Materials: Blown glass, braided metal coaxial cable, electrical components, steel canopy.

Power Supply: Integral.

Bocci recommends remote mounting power supplies for ease of long-term maintenance.

Environment: Indoor, dry location. IP30.

Certifications: UL Certified.
