

118

Description

This refined suspension lamp model from the exclusive 118 lighting collection is composed of 9 glass pendants in linear configuration.

The 118 series captures delicate, feather-like impressions formed during the glassblowing process—subtle marks that glass retains from its molten state.

These intricate textures, preserved in the material's memory, evoke natural motifs such as a bird's wing or a blooming flower. When illuminated from within, the internal complexities of each pendant come alive, revealing a refined interplay of light and form. This series showcases a sophisticated understanding of glass's unique ability to hold onto ephemeral shapes, turning fleeting gestures into lasting impressions.

This suspension lamp use a coaxial cable suspension system, and each pendant includes 118"1/8 of coaxial cable, which can be adjusted on site. Longer lengths are available for an additional charge. Lamps and power supplies are included. Designed by Bocci.

Finishes & Materials

Pendant: Blown glass.

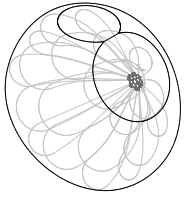

Coaxial Cable: Braided metal.

Canopy: Steel.

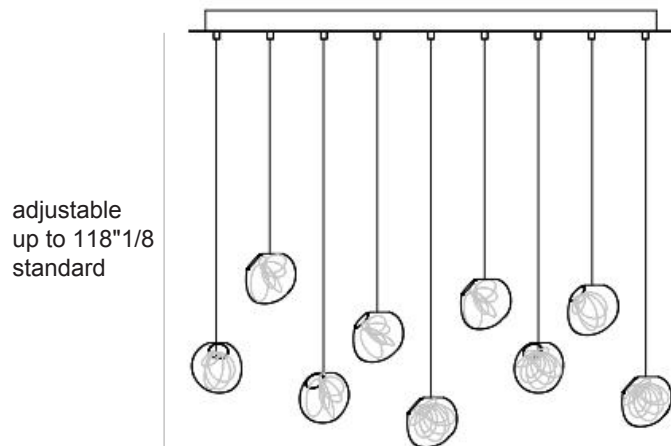

Dimensions

Pendant: ± Ø5"1/8 - Ø5"3/4

9-pendant linear configuration: 47"1/4W x 8"7/8D x 118"1/8H

± Ø5"1/8 - Ø5"3/4

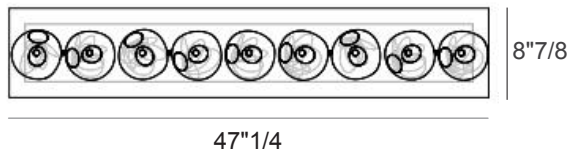

Standard Coaxial Cable Length:

- 118"1/8

Extra Coaxial Cable Lengths

(Standard Length + 118"1/8 Increments):

- 236"1/4
- 354"3/8
- 472"3/8
- 590"1/2
- 708"5/8
- 826"3/4
- 944"7/8
- 1063"

Specifications

Mounting: Ceiling mounted.

Lamp: 1W LED 110V-120V - 100lm - 2500K / 2700K / 3000K

Dimmer: CASAMBI.

Coaxial Length: 118"1/8 standard - Adjustable length up to 1063" max.

Power Supply: Integral.
