

Acqua Slim

Description

Complete bathroom composition including LED mirror, sink cabinet, integrated washbasin, and low cabinets. Cabinet doors feature adjustable hinges for precise alignment and soft-close mechanisms with integrated shock absorbers for silent operation. The drawer is equipped with German Hettich rails, ensuring smooth movement regardless of the point of operation. This coordinated bathroom furniture set combines functionality, storage efficiency, and contemporary design for residential and hospitality bathroom furniture applications.

Please note: Once an order is placed, our sales department will contact to confirm the dimensions and placement of the faucet holes prior to production.
