

Acqua Slim

Description

Complete bathroom composition including LED mirror, a sink cabinet, and a double integrated washbasin. The drawers are fitted with specially designed German Hettich runners, providing exceptionally smooth and balanced operation, even when opened from different points along the drawers front.

This coordinated bathroom furniture set offers a streamlined design, durable construction, and reliable performance

Please note: Once an order is placed, our sales department will contact to confirm the dimensions and placement of the faucet holes prior to production.
