

Acqua Slim

Description

Complete bathroom composition including one LED light mirror, one sink cabinet, one integrated glass washbasin, and one tall cabinet. The vanity features a drawer equipped with specially designed German Hettich runners for exceptionally smooth operations. Cabinet doors include adjustable hinges and soft-close mechanisms with integrated shock absorbers.

This coordinated vanity set is perfect for contemporary residential and hospitality bathroom furniture applications.

Please note: Once an order is placed, our sales department will contact to confirm the dimensions and placement of the faucet holes prior to production.
