

Acqua Slim

Description

Complete vanity composition including one LED light mirror, one sink cabinet, and one integrated washbasin. The drawer is equipped with specially designed German Hettich runners, providing exceptionally smooth and balanced operation even when opened from different points along the drawer front, and features a quality tie-stitched leather drawer bottom. This contemporary bathroom furniture set combines durable construction, refined materials, and efficient functionality.

Please note: Once an order is placed, our sales department will contact to confirm the dimensions and placement of the faucet holes prior to production.
