

Acqua Slim

Description

Complete vanity composition including one LED light mirror, one sink cabinet, one integrated washbasin, and one tall cabinet. The vanity incorporates a drawer equipped with specially designed German Hettich runners for smooth operations, and a quality tie-stitched leather drawer bottom. Cabinet doors include adjustable hinges for precise alignment and soft-close mechanisms with integrated shock absorbers. This bathroom furniture set combines durable construction, functional storage and refined design.

Please note: Once an order is placed, our sales department will contact to confirm the dimensions and placement of the faucet holes prior to production.
