

Acqua Slim

Description

Complete vanity composition including one LED light mirror, one sink cabinet, and one integrated washbasin, providing a non-porous surface that is durable, hygienic, and easy to maintain. The drawers are equipped with specially designed German Hettich runners and include a quality tie-stitched leather bottom. Cabinet door features adjustable hinges for precise alignment and soft-close mechanisms with integrated shock absorbers. This contemporary bathroom furniture set combines durable materials, efficient storage, and refined engineering.

Please note: Once an order is placed, our sales department will contact you to confirm the dimensions and placement of the faucet holes prior to production.
