

Description

The Nauge Sectional combines contemporary elegance with exceptional comfort, creating a sophisticated centerpiece for spacious interiors.

Built with an all-hardwood frame featuring durable interlocking construction, the Nauge Sectional is engineered for lasting performance. Advanced unidirectional web seating suspension, along with tight seat and back cushions filled with polyurethane foam and 100% polyester fiber, provides exceptional support and comfort. An upholstered plinth base completes the sleek, architectural design, making it a natural fit for living room furniture with a contemporary aesthetic.
