

Organix Lounge

Design: Kris Van Puyvelde

Description

Lounger with coated aluminum base, available in anthracite and white color. The seat is composed of two semicircular cushions and the backrest is composed of four curved cushions that can be removed and fixed to the base as desired. Covers in fabrics as per collection. Four comfort cushions are suggested, decorative cushions are also available on demand. Also suggested is a side table with base in coated aluminum and round top available in ceramic, teak wood and enameled lava stone. The central Palma Umbrella features an anthracite or white structure in coated aluminum and a canopy in textile cat. A.
